

VR BASED SIMULATOR

- Industrial Vehicles
- Four-wheeler

Benefits

-  **Realistic Challenges**
-  **Master Through Repetition**
-  **Cost-Effective Advantage**
-  **Engaging Immersion**
-  **Reduced Training Risks**
-  **Sustainability**

Industrial Vehicles & 4-Wheeler

Solution Outcomes

- Distracted Driving
- Adverse Weather Conditions
- Emergency Situations
- Night Driving
- Traffic Rules and Regulations
- Complex Intersections
- Parking and Reversing
- Pedestrian Safety
- Blind Spot Awareness
- Intersection Management
- Driving with Limited Visibility
- Navigating Around Large Vehicles
- Handling Multi-Tasking Situations

Real-Time Analytics Dashboard

- Smart Assessment Tracking
- Session Insights
- Unified Leaderboard
- Trend Analysis of Violations
- Secure Access Control
